

charlotte

Age: 15 years old Gender: Female

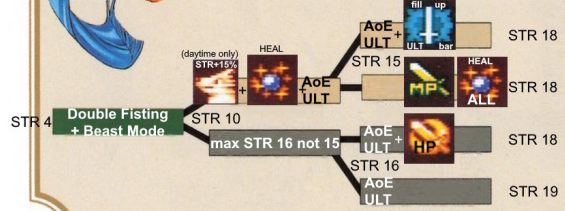

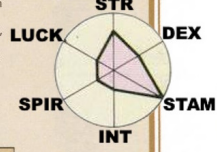

She is the granddaughter of the priest of light in the holy city of Wendell. She is of elven descent and is growing slowly for her age. She is cheerful, talkative, and curious. However, she is also quite superstitious.

kevin

Age: 15 years old Gender: Male

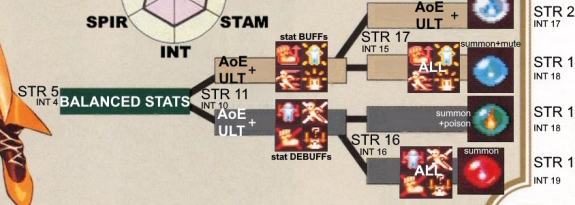

He is the son of the beastman king who rules the Beast Kingdom, and is a beastman half and human. Although he is mature, he still has a boyish side to him. He dislikes people and is not good at talking, so he is easily misunderstood by others.

riesz

Age: 16 years old Gender: Female

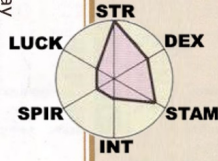

She is the princess of the Wind Kingdom, Roland, and the leader of the Amazonian army. Although she still has the appearance of a young girl, she has a strong will and a sense of responsibility. She can be difficult and stubborn, and speaks in a realistic manner.

duran

Age: 17 years old Gender: Male

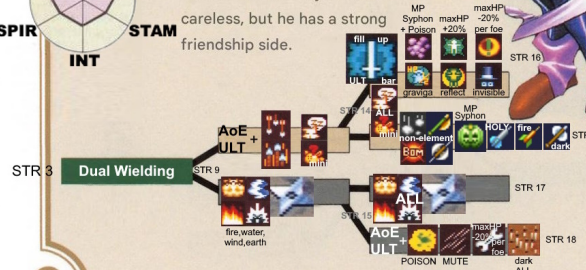

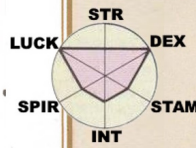

grassland kingdom
A proud man who serves as a mercenary under Lucena. He has a rough and uncouth appearance. He is hot-headed and competitive, so much so that even his fellow mercenaries consider him dangerous. However, he respects the king, who was his late father's best friend, and loves his country more than anything.

hawkeye

Age: 17 years old Gender: Male

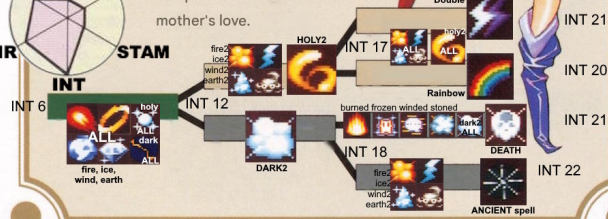

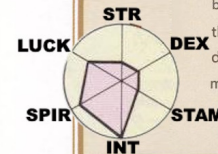

A thief of the Navarre Bandits, based in the desert. He has a humorous and romantic personality. It is unclear whether he is usually serious or careless, but he has a strong friendship side.

angela

Age: 19 years old Gender: Female

Daughter of the Queen of the Magic Kingdom of Altena. Passionate, sexy, and flashy. Selfish and jealous. Perhaps because she was abandoned by the Queen from a young age, deep down she craves her mother's love.

advance on the adventure.
Players will choose three characters to play

All 48 spells in these pages can be cast by any character via using one of 48 corresponding spell items. 17 are shop items named in these pages. You may only randomly find a few appearances of the other such spell items as rare finds along your adventure. Good luck finding any not for sale!

casts it by
thrower's INT

Thunderstorm [MP4]
Creates a thundercloud above the enemy, causing lightning to strike and damage them.

stun wind [MP7]
Creates a vacuum around enemies, dealing damage and silencing them.

Speed Up [MP2]
It uses the power of the wind blowing through the air to increase its speed.

shop item
Bird Scale
casts it also

wind

Protect Down [MP2]
It creates a blue band of air around the enemy, lowering their defense.

Thunder Saber [MP4]
You can give your weapon the lightning element by casting lightning directly onto it.

shop item
Siren Claw
casts it also

Diamond Missile [MP2]
It deals damage by firing sharp diamond particles at enemies.

shop item
Earth Coin*
casts it by
thrower's INT

Earthquake [MP4]
Summons a giant rock and drops it on the enemy, dealing damage.

Stone Cloud [MP7]
It envelops enemies in a dark blue cloud, dealing damage and turning them to stone.

Protect Up [MP2]
By attaching sand particles to the entire body, it increases its defensive power.

shop item
Bulette Scale
casts it also

earth

Speed Down [MP2]
It can shift the ground around enemies, reducing their speed by half.

Diamond Saber (MP4)
You can spray diamond crystals onto your weapon to give it the earth element.

shop item
Molebear Claw
casts it also

Sleep Flower (MP3)
It scatters sleep-inducing pink petals, putting the enemy to sleep and dealing damage.

Poison Bubble [MP5]
Sprays bubbles made from the sap of poisonous plants at enemies, inflicting damage and poison.

Trans Shape [MP2]
By sprinkling nut powder on his body he can turn invisible, allowing him to move around undetected by his enemies.

Aura Wave [MP3]
Absorb the life force of the trees into the sword to bring the count to MAX.

tree

Counter Magic [MP6]
It spreads green spheres around you and reflects magic cast by enemies.

Leaf Saber [MP4]
Gives the weapon the power of tree roots, giving it the effect of absorbing MP when attacking.

Lunatic [MP5]
By bathing the enemy in the mysterious light of the moon, all of their abilities are reduced.

Half Vanish [MP3]
Envelops enemies in a dazzling ball of light, randomly halving their HP.

Body Change (MP3)
It envelops enemies in a mysterious smoke, transforming them into Shell Hunters and dealing damage.

Life Booster [MP4]
It draws in the energy of the moon into your body, increasing your maximum HP during battle.

Moon

Moon Saber (MP4)
Gives the weapon the power of the moon, giving it the effect of absorbing HP when attacking.

SEED species

These seeds are items that you can never buy in a store. You can grow and obtain items by planting them in flowerpots that are available in stores in each town and village. However, even if you plant an "item seed," you don't know what item will grow. You can only enjoy it after it grows. Sometimes you might get an unexpectedly powerful item.
